BACKGROUND & CONNECTIONS

BACKGROUND

An orphan of the village of Faydark, never welcome there. When his childhood friend Killam fled the watch, he followed her secretly on foot, with only what he could grab.

PERSONALITY

Wry and quick to joke, soft-hearted toward animals, and hopelessly smitten with Killam.

GEAR & LODGING

Wizard's staff, two knives, travel cloak, flint and steel, waterskin. A hunk of the Crow Lady's bread and an apple. The trapper's hide map of the stream, the old ford, the trap lines and Mother Corvane's hut.

Money: he gave all his coin to Killam.

Lodging: Mother Corvane's hut in the Hollow Wood, for now.

ENEMIES

Captain Vane and the Faydark watch.

The Faydark rider camped at the old ford.

FRIENDS & CONTACTS

Killam: his childhood friend and traveling companion.

Mother Corvane: the Crow Witch of the Hollow Wood. He owes her a debt for eating her bread.

The she-wolf: freed from a trap; now at Corvane's hut with her four pups.

NOTES

Drusus: his Staff-to-Snake familiar. ST 8, DX 13, IQ 4, MA 6; attackers take −3 DX; bite 1d occult, ignores armor.

Deeds: freed the she-wolf; helped defeat Corrin the crossbowman and the trapper (killed).

Condition: 6 fatigue from spellcasting at the end of Session 2; should be fully rested by morning.

XP log: Session 1, +65. Session 2, +75. Spent 100 XP on his 33rd attribute point (+1 DX, 11 → 12).
